Part 1 - Instructions

In Part 1, you will receive a lottery ticket with a number between 1 and 180. The number on your lottery ticket will decide how much you receive. Please note that each lottery ticket has an equal probability of being drawn.

You can see the exact payoff from the following chart.

Lottery Ticket:	**1-30**	**31-60**	**61-90**	**91-120**	**121-150**	**151-180**
Resulting payoff:	$0.50	$1.00	$1.50	$2.00	$2.50	$3.00
